WELCOME

We are delighted to invite you to participate in **ECASIA**, the leading international conference dedicated to **surface and interface analysis**. As a sponsor or exhibitor, you will have the unique opportunity to connect with a global community of researchers and industry professionals at the forefront of cutting-edge developments in **in situ and operando measurements, state-of-the-art instrumentation, innovative analytical techniques**,...

The **exhibition will run from Monday evening through Thursday at noon**, providing an excellent platform to showcase your latest equipment and solutions to a highly engaged audience. Don't miss this chance to highlight your brand, foster collaborations, and gain valuable exposure in this rapidly evolving field!

WELCOME WORD FROM THE CHAIR OF THE CONFERENCE

"The Vrije Universiteit Brussel and Université Libre de Bruxelles are pleased to welcome you to the 2026 edition of the European Conference on Applications of Surface and Interface Analysis. After 19 years, the capital of Europe once again hosts one of the most dynamic conferences in the field of surface and interface science.

This year's conference will not only feature the latest advancements in traditional surface and interface analysis, but will also highlight cutting-edge research in areas such as in situ and operando measurements, combined surface analysis and electrochemical assessments, and spectroscopic modeling under real-world conditions.

In short, the 2026 edition promises to be an exciting and thought-provoking event.

The organizing committee, together with the city of Brussels, looks forward to welcoming you in September 2026!"

Prof. Tom Hauffman
the chair of the conference
